SITE PREPARATION AND OUT-PLANTING

The site preparation and planting of the **Adopt a Forest Program** in partnership with Butuan **Champion Hardware (Mr. and Mrs. Robert R. Ty)** was concluded on December 31, 2018. Activities for the site preparation and planting include brushing, staking & hole-digging and planting of seedlings. It covers around two (2) hectares of area in Sitio Mahayahay, Anticala, Butuan City portion of Taguibo River Watershed Forest Reserve (TRWFR).

Approximately 1200 seedlings of various grafted fruits and forest trees such as Lanzones, Durian, Narra and Tugas were planted. The family of Rowena Durango Cea, resident of the said Sitio is the claimant of the planting site, likewise, the beneficiary of the Adopt-A-Forest Program.

Table 2.0 show the detailed result of the completed site preparation and out-planting activity.

Maintenance for the six (6) hectares Adopt-A-Forest Program in partnership with Phoenix Philippines Foundation, Inc. (5 has.) and Atty. Jeremiah Asis & Family (1 ha.) planted on March – April 2016 is already on its 3rd year of implementation, thus, schedule for the maintenance is on a bi-annual basis. The 10th maintenance activity was completed on November 6, 2018 with a survival rate of 90.80%.

At the time of validation/inspection, the survival rate of the planted seedlings was **90.80%** which is higher compared to previous quarter which is only at **87.90 %** survival rate. The increase in survival rate was due to the scheduled replanting activity.

Table 6.0 shows the detailed result of the recently concluded maintenance activity.

New Donors

Inter- Office Employees and Business Credit Cooperative and Butuan City Water District signed a Memorandum of Agreement on December 14, 2018 at BCWD's board room for a one (1) hectare Adopt-A-Forest Program or reforestation project at the Taguibo River Watershed Forest Reserve.

BCWD's Assistant General Manager, Emma B. Lupiba and Mr. Junee Lee Mars H. Nebrada, Chairman of the cooperative, sealed the MOA, and was witnessed by BCWD's board of directors and officers of the cooperative.

Another donor for the 4th quarter of 2018 is the Agusan Valley Masonic Lodge #160. The MOA was signed last December 18, 2018 with the General Manager of BCWD Engr. Anselmo L. Sang Tian and Engr. Rhoderick F. Lerias, Worshipful Master of Masonic Lodge # 160. The MOA signing was witnessed by Atty Roldan L. Torralba, chairman of BCWD's board of directors and the same time the Sovereign Grand Inspector General Orient of Agusan and Surigao of the said fraternal organization.

The lone donor for the first quarter of 2019 is the ANHS Class 85. The MOA signing was concluded on March 13, 2019 at BCWD's Board Room. Said MOA was signed by GM Sang Tian and President of ANHS Class 85 Mrs. Sandra Magno – Dispo, and it was witnessed by officers and members of ANHS Class 85 and two of BCWD's Board of Directors (Director Crispin Young and Director Santos)

CONCLUSION

From its inception of the Adopt-A-Forest Program in 2013 up to the 1st quarter of 2019, there were a total of 42 hectares of land area adopted for reforestation. Donors were from private individuals and corporations, organizations and other agencies. There are a total of twenty six (26) donors for BCWD's Adopt-a-Forest Program. The donors comprise of three (3) private individuals/families, six (6) private corporations, two (2) schools, and fifteen (15) organizations.

Based on the 4th quarter of 2018 maintenance and validation activities conducted, it can be noticed that the survival rate of some planting sites slightly increased compared to the 3rd quarter of 2018. This is due to the scheduled replanting activity. The minimum requirement of survival rate set by BCWD is at 85%. The result of the maintenance activity for the 1st quarter of 2019 will reported in the 2nd quarter because some Adopt-A-Forest sites are still not safe due to the peace & order/insurgency situation in barangay Anticala, Butuan City.

Your symbolic adoption can make a difference...
