

Donor Update

Vol. 4 No.4 Oct-Dec 2019

Adopt -a-Forest program

at Taguibo River Watershed
Forest Reserve

Donor Update

Dear Donor,

As of 4th Quarter of 2019, a total of 31 generous individuals/institutions/organizations who have donated funds to reforest 49 hectares in the Taguibo Watershed. The **Philippine Institute of Civil Engineers (PICE) Agusan del Norte Chapter** is the **sole donor for 4th quarter of 2019**. BCWD funded another one (1) hectare to complete the BCWD's commitment to reforest 10 hectares per year in our Taguibo Watershed.

The implementation of the Adopt-A-Forest Program is being grouped by batches according to the date of planting. **Table 1.0 shows the groupings of donors.**

Table 1.0 Groupings of Adopt-A-Forest Donors

Donors	No. of Hectares	Date Planted
ANECO	1	November 2019
PICE Agusan del Norte Chapter	1	
JUCHEM Enterprises	1	December 2019
BCWD Funded	1	
ANHS Class 85 (2nd Donation)	1	September 2019
Butuan Club of Southern California	1	September 2019
Southern Gate Eagles Club	1	
Inter-Office Employees and Business Credit Cooperative	1	May 2019
Agusan Valley Masonic Lodge No. 160	1	
ANHS Class 85	1	
Butuan Champion Hardware (Mr. and Mrs. Robert R. Ty)	2	December 2018
C'ZARLES Construction and Supply, Butuan City Chamber of Commerce and Industry Foundation Incorporated (BCCCFI), Butuan City (Host) Lions Club, Rotary Club of Butuan, FSUU-Batch 1993 and Butuan City Water District Employees Association (BEA).	9	May-July 2018
Happy Enterprises, Kimson Commercials & Resources Inc., Rudy Tiu, Ivory Charities Foundation Inc., & Butuan Agusan Farmers Multipurpose Cooperative & Masulbad Irrigators Association	6	October 2017
Couples For Christ (CFC) Global Mission, CFC School of the Morning Star, Mr. Terence Yu / Y Hotel, Dir. Crispin Young & Family, Filipino-Chinese Lourdes Catholic Community and Butuan Doctors Hospital & Colleges Inc.	15	January 2017
Phoenix Philippines Foundation, Inc. and Atty. Jeremiah Asis & Family.	6	March – April 2016
Joint Rotary Clubs of Butuan North and Makati Salcedo	1	December 2013
Total	49	

THANK YOU

Adopt-A-Forest Program

SITE PREPARATION AND OUT-PLANTING

4th quarter Implementation of Adopt-A-Forest Program for this year 2019 was in partnership with three (3) generous donors. The site preparation and out-planting of the One hectare **Adopt-A-Forest Project in partnership with ANECO** was completely planted in November 08, 2019. On December 2019, BCWD completed the planting of three (3) hectares Adopt a Forest Project, two (2) of which were in partnership with **JUCHEM Enterprises** (1 ha.) and **PICE Agusan del Norte Chapter** (1 ha.), and the other one hectare was entirely funded by BCWD.

The site preparation and out-planting of the One hectare Adopt-A-Forest Project, in partnership with ANECO, was completely planted in November 8, 2019. In December 2019, BCWD completed the planting of three (3) hectares Adopt-a-Forest Project, two (2) of which were in partnership with JUCHEM Enterprises (1 ha.) and PICE Agusan del Norte Chapter (1 ha.), and the other one hectare was entirely funded by BCWD.

Table. 2.0 MONITORING AND EVALUATION OF PROJECT ACCOMPLISHMENT REPORT ON SITE PREPARATION AND OUTPLANTING

As of December 2019

DONOR	BENEFECIARY	TOTAL AREA	TOTAL NUMBER OF SEEDLINGS PLANTED	KIND	SITE PREPARATION (Strip-brushing/ Hole-digging/ Stacking) and Outplanting	Remarks
ANECO	Michael Hibaya	1 hectare	600	Molave, Narra, Rambutan, Durian & Lanzones	Strip-brushing/ Hole-digging/ Stacking and Outplanting	100% Completed
JUCHEM	Juneven O. Nalam	1 hectare	600			
PICE (Agusan del Norte Chapter)		1 hectare	600			
BCWD Funded		1 hectare	600			
Total		4 hectares	2,400			

Table 2.0 shows the detailed result of the completed site preparation and out-planting activity.

RESULTS OF THE LATEST MAINTENANCE ACTIVITY (4th Quarter of 2019)

Maintenance Program for the planted seedlings is one of the important aspects of the Adopt-A-Forest Program. Maintenance activity ensures high survival rate of planted seedlings.

- **Maintenance Program of the 2 hectares planted in September 2019**

The 1st maintenance program of the 2 hectares Adopt-A-Forest Program planted in September 2019 is still ongoing and to be reported in the 1st quarter of 2020.

- **Maintenance Program of the 4 hectares Adopt-A-Forest Program planted in May 2019.**

The 3rd maintenance program of the Adopt a Forest Program planted in May 2019 in partnership with Agusan Valley Masonic Lodge #160, ANHS Class 85, Inter-Office Employees & Business Credit Cooperative & Southern Gate Eagles Club was completely validated on November 12, 2019 with a survival rate of 100%; it covered approximately four (4) hectares of area within Taguibo River Watershed Forest Reserve (TRWFR), and planted with 2,400 seedlings of various grafted fruits and forest trees such as Rambutan, Lanzones, Narra and Tugas or equivalent to 600 seedlings per hectare.

Table 3.0 shows the detailed result of the recently concluded maintenance activity.

NAME OF BENEFICIARIES	PARTNER DONOR	AREA	DATE PLANTED	NO. OF SEEDLINGS PLANTED	SEEDLINGS SURVIVED	Survival Rate	Remarks
Alfredo O. Nalam	Agusan Valley Masonic Lodge #160, ANHS Class 85, Inter-Office Employees & Business Credit Cooperative & Southern Gate Eagles Club	4 has.	May 2019	2,400 various grafted Fruit Trees & indigenous spp.	2,400	100%	Replanting conducted by partner beneficiary

- **Maintenance Program of the 2 hectares Adopt-A-Forest Program planted in December 2018 at Taguibo River Watershed Forest Reserve Area**

The 5th and 6th maintenance (5th & 6th pass) of the 2 hectares Adopt a Forest Program planted in December 2018, in partnership with **Butuan Champion Hardware/Atty. Josefe Ty**, was completely validated on October 2, 2019 and December 3, 2019 with **survival rate of 95.42% and 98.83%**, respectively. The increase in survival rate was due to the replanting activity conducted by the beneficiary and proper care and maintenance of the planted seedlings.

Table 4.0 shows the detailed result of the recently concluded maintenance activity.

NAME OF BENEFICIARIES	PARTNER DONOR	AREA	DATE PLANTED	NO. OF SEEDLINGS PLANTED	SEEDLINGS SURVIVED	Survival Rate
Durango Cea, Rowena	Butuan Champion Hardware/Mr. & Ms. Robert R. Ty	2 has.	December, 2018	1,200 various grafted Fruit Trees & indigenous spp.	1,145	95.42% 5 th pass
					1,186	98.83% 6 th pass

• **12th Maintenance of the six (6) hectares Adopt-A-Forest Program planted on March – April 2016**

The implementation of the Adopt-A-Forest **12th Pass Maintenance Program**, in partnership with **Phoenix Philippines Foundation, Inc.** (5 has.) and **Atty. Jeremiah Asis & Family** (1 ha.), was successfully completed on October 17, 2019 with a **survival rate of 92.51%**.

Adopt-A-Forest Program will make possible for everyone to proactively involve in the protection and preservation of our watershed by planting and growing trees and/or by just donating funds for the reforestation project. The Phoenix Petroleum Philippines through the Phoenix Philippines Foundation, Inc. as part of their Corporate Social Responsibility (CSR) contributed fund for Five (5) hectares and Atty. Jeremiah Asis & Family funded one (1) hectare reforestation site.

The maintenance activity was made part of the program and to be implemented every six (6) months. The **12th Pass Maintenance** activity was completed on October 17, 2019. The maintenance activity included clear brushing, strip brushing, round weeding and replanting.

At the time of the validation/inspection, the average survival rate of the planted seedlings was at 92.51%. This was slightly higher compared to previous semester that had a survival rate at 90.79%. The slight increase of survival rate was due to replanting conducted by the beneficiaries during the maintenance activity.

Table 7.0 Summary of Seedlings Planted & Maintained

Name of Partner Beneficiaries	Area	Date Implemented	Seedlings Planted	Seedlings Survived	Survival Rate
Danilo E. Dandanon Sr. (Phoenix Philippines Foundation Inc.)	3 has	March 2016	510 grafted Fruit Trees 990 indigenous spp.	1,374	91.60 %
Lydia E. Pamonloy (Phoenix Philippines Foundation Inc.)	1 ha.	March 2016	170 grafted Fruit Trees 330 indigenous spp.	450	90.00 %
Analyn Egom (Phoenix Philippines Foundation Inc.)	1 ha.	March 2016	170 grafted Fruit Trees 330 indigenous spp.	458	91.60 %
Mahayahay Elem. School (Atty. Asis & Family)	1 ha.	April 2016	600 various grafted Fruit Trees & indigenous spp.	581	96.83 %
TOTAL	6 has		3,100 seedlings	2,863	92.51 %

New Donor

The new donor for the Adopt a Forest Program for the 4th quarter of 2019 was the Philippine Institute of Civil Engineers (PICE) Agusan del Norte Chapter. The signing of MOA was held at Department of Public Works and Highways (DPWH) Regional Office of Caraga Region last October 21, 2019 with the presence of DPWH Regional Director Engr. Paul M. Delos Santos. PICE Agusan del Norte Chapter donated fund for one hectare reforestation project through BCWD's Adopt a forest Program.

BCWD and PICE Agusan Del Norte Chapter sign MOA for Adopt-A-Forest Program.

Conclusion:

BCWD's Adopt-A-Forest Program was at 49 hectares with 31 generous donors. BCWD targeted 10 hectares of Adopt-A-Forest to be implemented every year. For the 4th quarter 2020, we already had 9 hectares; The **Philippine Institute of Civil Engineers (PICE) Agusan del Norte Chapter** was the sole donor for 4th quarter of 2020. BCWD funded another one (1) hectare to complete the BCWD's commitment to reforest 10 hectares per year in our Taguibo Watershed.

The 4th quarter of 2019 Adopt-A-Forest Program maintenance report shows that the **average survival rate** of planted seedlings is **above 85%**, which is the minimum survival rate set by BCWD for the said program.

Other BCWD Project:

BCWD constructed four (4) **Communal Septic Tanks and Installation of Toilet Bowls** at Simoloy-Tagkiling, Anticala, Butuan City, portion of the Taguibo River Watershed Forest Reserve (TRWFR).

Consistent to the vision of providing safe and clean water for the City of Butuan, BCWD continuously supports sanitation program and proper waste disposal of human waste in the areas within Taguibo watershed.

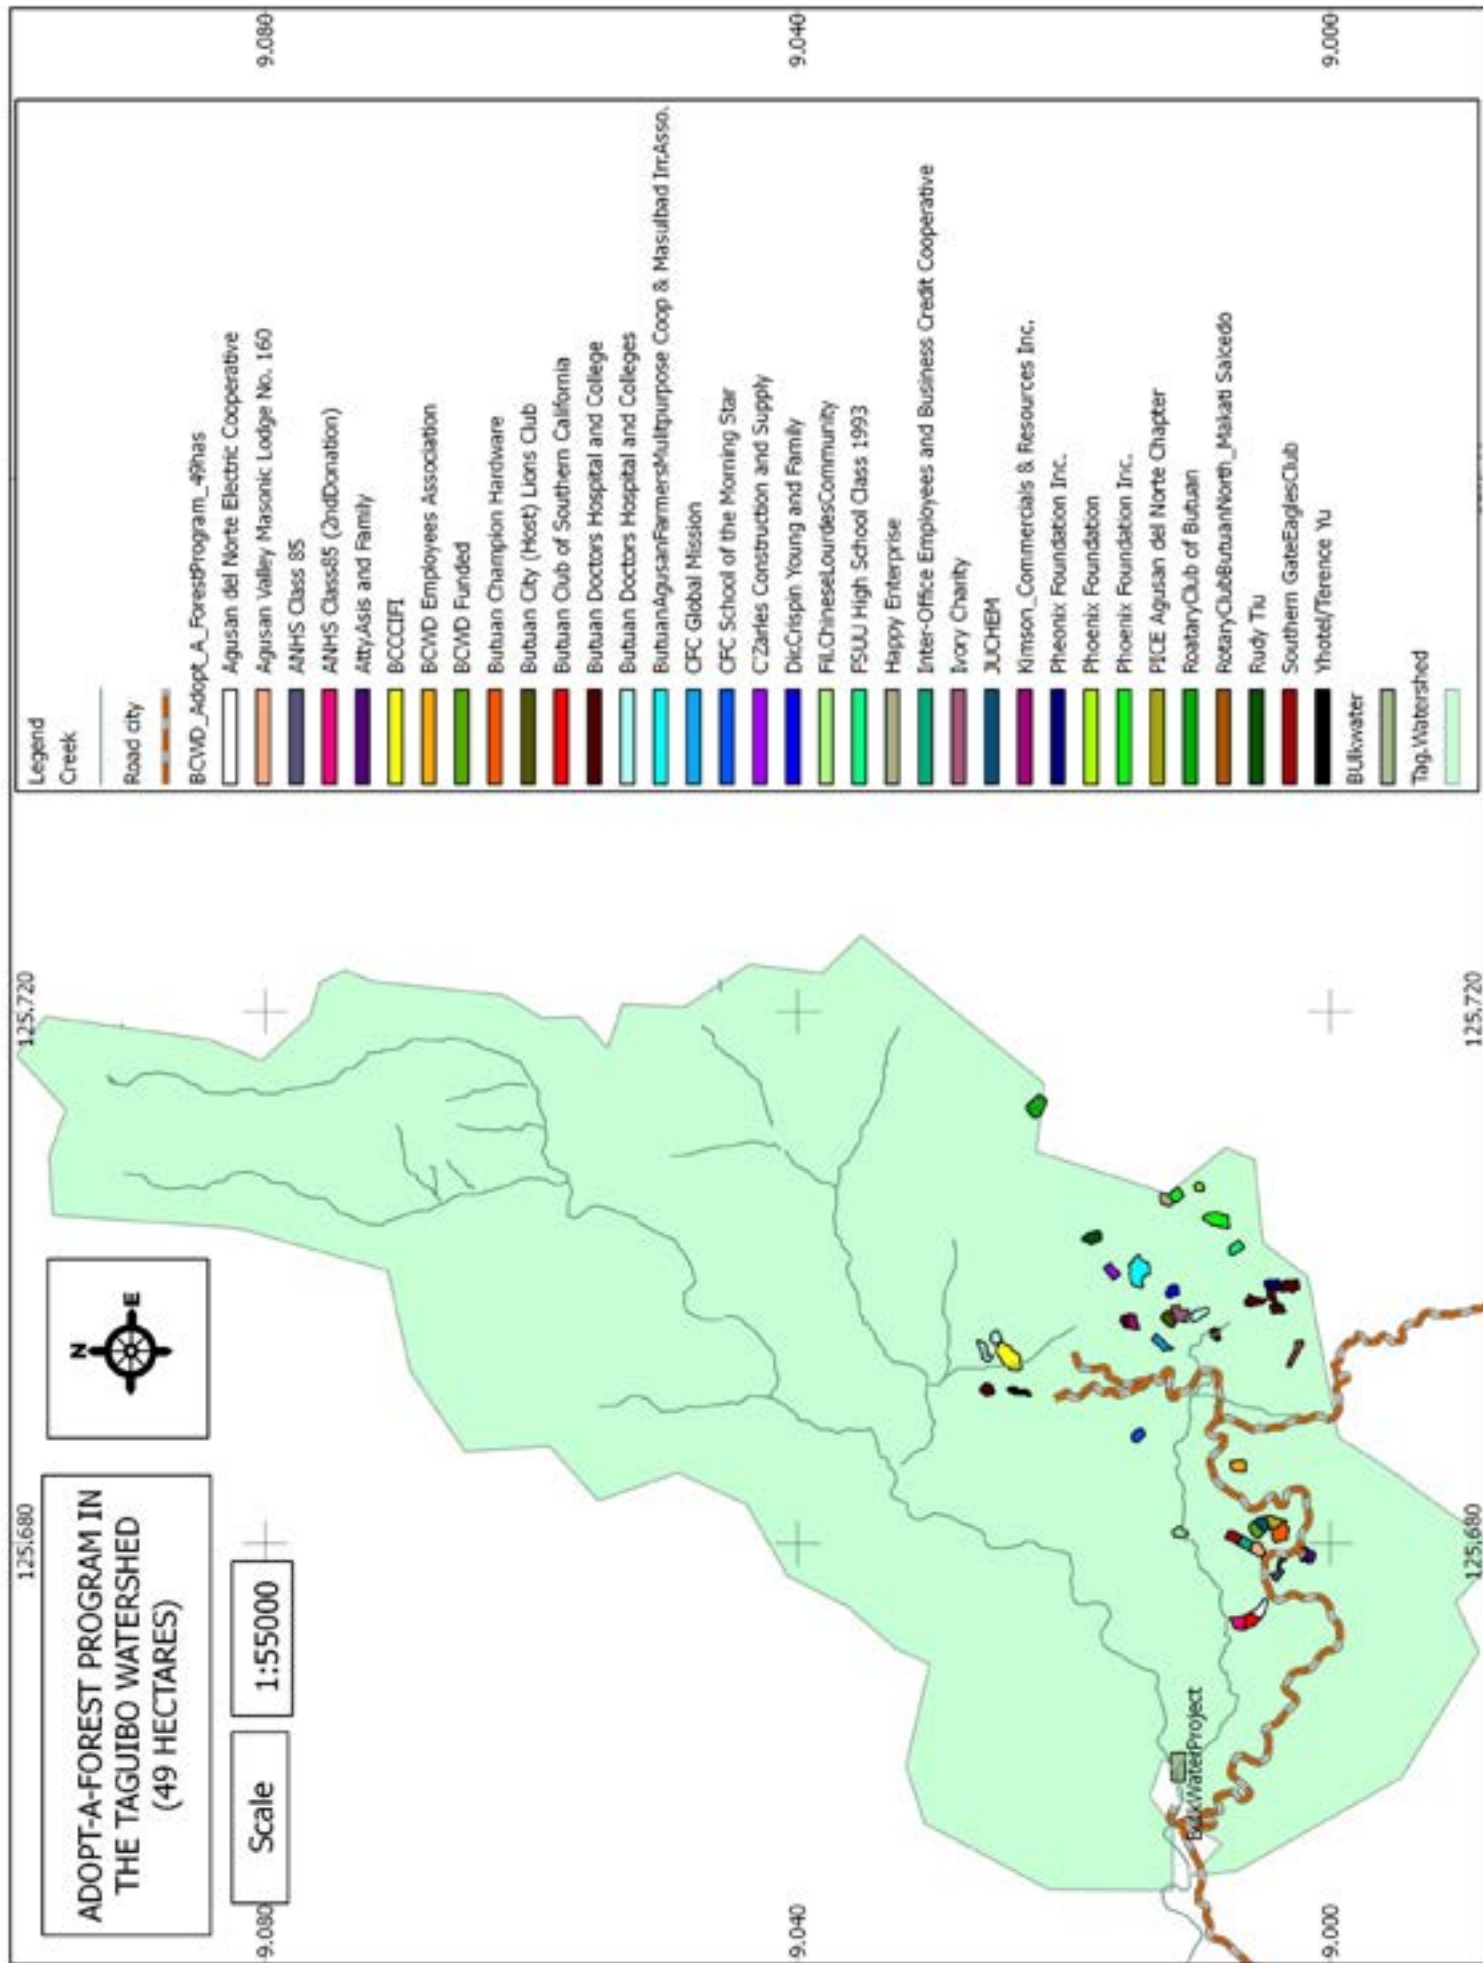

Construction of Sanitation Facilities is part of BCWD's Corporate Social Responsibility. Said project is also in response to the result of the Water Quality Assessment of the Environmental Management Bureau (EMB) that shows that the water quality of upstream portion of Taguibo River particularly the bacteriological aspect of the water quality is now outside the tolerable limit of Class A classification.

BCWD already constructed 11 communal sanitation facility started in year 2010 with average cost of ₱150,000 per unit with dual room. However, since many residents need a standard sanitation facility to address the sanitation issues in the upland area, BCWD shifted its project from communal sanitation facility to communal septic tanks. One septic tank caters two (2) families in the community including the installation of two (2) toilet bowls, however, the roofing and sidings/walling of the comfort room were shouldered by the respective beneficiaries.

The project cost including the labor services was at ₱ 45,000.00. This project was aimed at catering more families to have their own standard sanitation facilities at minimal cost.
