Adopt-a-Forest program

at Taguibo River Watershed
Forest Reserve

Donor Update

Dear Donor:

As of 1st quarter of 2022, we have a total of 69 hectares reforestation project in the Taguibo River Watershed Forest Reserve (TRWFR) under the Adopt-A-Forest program with 35 generous donors. The result of the latest maintenance activity conducted shows more than 90% survival rate of the planted seedlings. Thus, meeting the 85% survival rate target of the said program.

Table 1.0 shows the batches of donors according to the date of planting.

Watershed Symposium Activity

1st Quarter Watershed Community Symposium January 20, 2022

As part of the celebration of the Water District Week every last full week of January and the City Ordained Watershed Consciousness Week every 3rd week of January, the Butuan City Water District (BCWD) kicked off its quarterly Watershed Community Symposium last January 20, 2022. There was a total of 50 participants in the said activity including speakers and facilitators. Of the 50, 21 were female and 29 were male.

The Watershed Community Symposium is a quarterly IEC activity of BCWD to ensure the continuing awareness and education of watershed settlers and its continuum. This is BCWD's way of watershed protection and preservation by starting with the grassroot level. A team from BCWD visits areas within the watershed every quarter for the conduct of the said symposium. Aside from BCWD, partner stakeholders are also invited to participate in the said activity as resource speakers. For this quarter, the following attended as speakers of the symposium:

- Environmental Management Bureau (*EMB*) Caraga:
- Ernesto B. Castro (*Water Quality Assessment on Freshwater*); City ENRO:
- Ateliano Tiempo (*About Watershed Consciousness Week*) o Ms. Bernardita Tecson (*Land Based Pollution Prevention and Mitigation*); and DENR CENRO - Nasipit:
- Helen Cuizon (*The Importance of Conservation, Management and Protection of our Watershed*); o For. Vidar Imam (*Solid Waste Management and RA 9003 Ecological Solid Waste Management Act*); and
- DENR o Lt. Col. Carlo Dacera (PD 1067 s 1976 Water Code of the Philippines and PD 705 "Revised Forestry Code of the Philippines)

Topics discussed during the said symposium were the following:

- About Watershed Consciousness Week
- Water Quality Assessment on Freshwater
- The Importance of Conservation, Management, and Protection of Our Watershed
- Solid Waste Management and RA 9003 Ecological Solid Waste Management Act
- PD 1067 s1976 "Water Code of the Philippines"
- PD 705 Revised Forestry Code of the Philippines
- Land Based Pollution Prevention and Mitigation

Participants

BCWD visited Barangay Anticala with the following number of participants including speakers and facilitators:
