Donor Update

We have a total of five (5) new donors for our Adopt-a-Forest Program for the 2nd semester of 2022. The late **Dr. Juanito A. Lao**, represented by his wife, Ms. Helen C. Lao, and **Atty. Roldan Torralba**, represented by his wife, Ms. Marlita T. Torralba signed a Memorandum of Agreement (MOA) with BCWD on November 29, 2022, for one (1) hectare reforestation project. **One Meralco Foundation, Inc.** also signed a MOA with BCWD in September 29, 2022, for an equivalent of eighty (80) hectares reforestation project. **Agusan del Norte Electric Cooperative, Inc. (ANECO Inc.)**, a non-stock, non-profit electric cooperative also signed MOA with BCWD in August 2022, for one (1) hectare reforestation project. **Architect Horacio T. Santos** also signed a MOA with BCWD in June 2, 2022, for one (1) hectare reforestation project.

For the 2nd semester of 2022, a total of 69 hectares Adopt-A-Forest Program were maintained in the Taguibo River Watershed Forest Reserve, the main source of BCWD's main water supply.

The table below shows the batches of donors according to the date of planting.

List of Donors According to Date of Planting

Donors	No. of Hectares	Date Planted

Project Location) : Mahayahay, Anticala, Butuan City
Area Planted : 2 hectares
Coordinates : 9°0'14"N 125°40'51"E
Year Planted : December 2018
Donor : Butuan Champion Hardware/Atty. Josefe Ty

14th Pass Maintenance Activity of the one (1) hectare Adopt-a-Forest Program Planted in July 2018.

The 14th maintenance activity of the 1-hectare Adopt a Forest Program planted in July 2018 in partnership with BCWD Employees Association (BEA) was completely validated on November 21, 2022, with a survival rate of 99%. It covers approximately one (1) hectare of the area within Taguibo River Watershed Forest Reserve (TRWFR) and planted with 600 seedlings of various grafted fruits and forest trees such as Rambutan, Lanzones, Narra and Tugas or equivalent to 600 seedlings per hectare.

The table below shows the summary result of the recently concluded 14th pass maintenance activity for the 1-hectare Adopt-a-Forest Project planted in July 2018.

Others:

BCWD submitted its project proposal to OMF entitled Adopt-a-Forest Program: the One for Trees Project in the Taguibo Watershed last May 06, 2022. The project is in collaboration between Adopt-a-Forest and OMF's One for Trees project.

The proposed project aims to reforest eighty (80) hectares in the Taguibo Watershed and within the Certificate of Ancestral Domain of CADT-135 or to plant approximately 48,000 seedlings. It has a total budget of ₱5,051,000.00. The OMF will shoulder ₱ 4,000,000.00 while BCWD will provide a counterpart in the amount of ₱1,051,000.00. Said project proposal has a period of 4 years from planting to maintenance.

On September 29, 2022, the Butuan City Water District (BCWD) entered into a Memorandum of Agreement (MOA) with One Meralco Foundation (OMF) for the implementation of the 80-hectare reforestation project in the Taguibo River Watershed Forest Reserve (TRWFR) and CADT-135 area dubbed as the “ **Adopt-a-Forest Program: the One for Trees Project in the Taguibo Watershed.**”

In December 2022, the BCWD attended to the Pre-Field Based Investigation (FBI) Conference for the conduct of Free & Prior Informed Consent (FPIC) to the Indigenous People (IP) within CADT 135 as part of the Information Education & Communication (IEC). BCWD also started to process the procurement of seedlings to commence the project's site preparation and out-planting activities on the same month.

The Eighty-three (83) reforestation projects in partnership with new donors, Dr. Juanito A. Lao/Atty. Roldan Torralba, One Meralco Foundation, Inc., Agusan del Norte Electric Cooperative, Inc. (ANECO Inc.), and Architect Horacio T. Santos will be implemented for CY 2023.

ONE MERALCO FOUNDATION partners with Butuan City Water District for ONE FOR TREES PROGRAM

One Meralco Foundation, Inc. (OMF), the social development arm and corporate foundation of the Manila Electric Company (MERALCO), partnered with Butuan City Water District (BCWD) for the implementation of its One For Trees (OFT) program. The partnership was formalized in the OFT Partners' Gathering and MOA Signing held on September 29, 2022 at the Meralco Powertech Auditorium in Quezon City. This was followed by a ceremonial planting of trees and learning visit in Green Earth Heritage Foundation OFT site located in San Miguel, Bulacan.

The MOA cements the two entities' commitment to implement the 80-Hectare reforestation project in the Taguibo River Watershed Forest Reserve (TRWFR) and CADT-135 area dubbed as the **"Adopt-A-Forest Program: the One for Trees Project in the Taguibo Watershed."**

In the MOA, OMF donates 4 million pesos while BCWD's counterpart is 1 million and 51 thousand pesos. This total amount of ₱5,051,000.00 will reforest 80 hectares in TRWFR within three years. BCWD will plant 48,000 trees in the Taguibo Watershed to sustain the forest reserve in the watershed enabling quality water supply to the people of Butuan City.

BCWD was chosen by OMF as it was able to meet all the criteria that focused on evidence-based, scientific reforestation management approach, community inclusion and the network to reach other audience through information and education. BCWD is committed to a long-term partnership with One Meralco that will ensure not just planting but nurturing trees for their growth and survival.

"Akala ng marami, this is a mere tree-planting, tree-growing, or tree-nurturing with a very high survival rate target. Yes, we require those. But more importantly, One For Trees is also keen at building the capacities and improving the economic welfare and social well-being of the people who maintain these trees and ensures that the same trees will also benefit their own families and communities," OMF President Jeffrey Tarayao said in his speech during the OFT Partners' Gathering and MOA Signing.

BCWD and OMF are set to conduct the Community Kick-off and Ceremonial Tree Planting for the said project on Friday, October 7, 2022. The kick-off will start at 9:00A.M. at the Multi-purpose Hall of Mahayahay Elementary School, Sitio Mahayahay, Bgry. Anticala, Butuan City. The invited guests of the said activity will be OMF Representatives, DENR Representatives, BCWD Representatives, Partner-People's Organizations, LGU and Barangay Anticala Officials. said symposium. Aside from BCWD, partner stakeholders are also invited to participate in the said activity as resource speakers. For this quarter, the following attended as speakers of the symposium:

- Environmental Management Bureau (EMB) Caraga:
- Ernesto B. Castro (*Water Quality Assessment on Freshwater*); City ENRO:
- Ateliano Tiempo (About Watershed Consciousness Week) o Ms. Bernardita Tecson (*Land Based Pollution Prevention and Mitigation*); and DENR CENRO - Nasipit:
- Helen Cuizon (The Importance of Conservation, Management and Protection of our Watershed); o For. Vidar Imam (*Solid Waste Management and RA 9003 Ecological Solid Waste Management Act*); and
- DENR o Lt. Col. Carlo Dacera (*PD 1067 s 1976 Water Code of the Philippines and PD 705 "Revised Forestry Code of the Philippines*)

Topics discussed during the said symposium were the following:

- About Watershed Consciousness Week
- Water Quality Assessment on Freshwater
- The Importance of Conservation, Management, and Protection of Our Watershed
- Solid Waste Management and RA 9003 Ecological Solid Waste Management Act
- PD 1067 s1976 "**Water Code of the Philippines**"
- PD 705 Revised Forestry Code of the Philippines
- Land Based Pollution Prevention and Mitigation

Participants

BCWD visited Barangay Anticala with the following number of participants including speakers and facilitators:

Akala ng marami, this is a mere tree-planting, tree-growing, or tree-nurturing with a very high survival rate target. Yes, we require those. But more importantly, One For Trees is also ken at building the capacities and improving the economic welfare and social well-being of the people who maintain these trees and ensures that the same trees will also benefit their own families and communities,

Adopt-a-Forest

Project of Butuan City Water District in Taguibo River Forest Reserve

is a 3-year tree planting and “parenting” project undertaken by BCWD which will serve as a model project for those individuals, institutions and organizations that would like to conduct tree planting activity and/or just donate or provide funds for one hectare or more hectares to be reforested in TRWFR.

Who can Adopt?

Adopters- can be any **Individual, Organization, Corporation, or Group** who wishes to help.

How much Does it Cost?

It will take **₱ 75,000.00** to reforest one hectare of the TRWFR.

Donors can opt to donate ₱30,000.00 per hectare and BCWD will provide the **additional fund** to complete the **₱75,000.00** requirement

Your donation will ensure that the seedlings provided will be planted, well-maintained and monitored regularly. In this manner, we can assure high survival rate of the planted seedlings, which eventually, will enhance the forest cover of TWFR.

For more information, customers are advised to call the BCWD Call Center at contact Numbers **09189304234 / 09171888726 / (085) 3423145/46; 3416373/74.**
